1	It is important for new employees to receive training during the start of their second year in a job.	To improve technical and soft skills, training courses are held in the area of soft skills.
2	Students should be encouraged to participate in events hosted by various institutions, as these opportunities provide a wealth of knowledge and experience.	To guide the students, a Faculty mentor was assigned for every competition group. Students are participating in more competitions and events and also won prizes.
3	More focus on industry related courses.	Motivated the students to attend the NPTEL, COURSERA and etc.,
4	Encourage the students and provide knowledge to become an Entrepreneur	Through SCE EDC, more entrepreneurship training and start-up activities are conducted
