Dear Friends,

A new exciting academic year is about to begin and we have lined up workshops, seminars and industrial visits in the upcoming months to help you make the most of your educational journey.

Keep a growth mindset and be ready to explore the world outside. Lets ensure maximum participation in events outside our city and show our presence. Spend time in developing hands-on skills which will help you not only during your education and career but also throughout your life. Let curiosity be your compass and hardwork be your engine.

Lifelong learning is not an option, but a mandatory survival ritual now!
